

About your Hosts...

Stephen's Green, consisting of Dublin natives Martin Doyle and Andy O'Driscoll, once again invite you to join them in an Irish adventure!

Andy and Martin have been making their mark on the music scene both here and abroad for many years. Their Irish roots, musical talent and great people skills combine to bring you a most memorable trip to the Emerald Isle.

Not only does the very best of craic await you, but our tour's more relaxed pace means you'll have the chance to savor the real Ireland...and enjoy a pint or two of "the black stuff" with friends old and new.

Our Irish driver/guide Mick adds the perfect blend of local knowledge and entertainment to our adventures...so relax, leave your worries at home, and join us on an unforgettable, fun-filled odyssey to Ireland!
